

## **Alumni Discount: Terms and Conditions 2019-2020**

**You must have enrolled and be studying on a taught postgraduate programme**, (this includes Master of Research (MRes) programmes) at a Cardiff based campus of Cardiff Metropolitan University (September/October 2019 entry).

**You must be liable for the full tuition-fee cost of your postgraduate course and be entirely privately funded** (funding from Student Finance Wales/England is allowed) and not in receipt of sponsorship from any other body (e.g. employer, provider of any other scholarship or bursary) and also not in receipt of any incentive payments (e.g. government incentive). If your financial circumstances change, in that financial contribution is received towards your fees from a sponsor during a course which lasts more than one year, the Alumni discount will not be awarded for the subsequent years.

**If full-time applicants are being awarded recognition of prior learning (RPL) for their course then the award will be proportional to the full time equivalent amount.** For example, if receiving 60 credits RPL (representing one-third of the total credits for the course) then two thirds of the award will be discounted from the tuition fee corresponding to the two-thirds of the course being undertaken.

**You must be a previous full-time or part-time student of Cardiff Met (or as UWIC/Cardiff Institute of Higher Education). This includes franchised UK partners.**

**You must have successfully completed at least an undergraduate qualification**

**You are not eligible for the award if you are studying** a postgraduate research programme e.g. MPhil, PhD, and all Doctorates (including taught); a PGCE Teaching programme (excepting those studying PGCE Secondary in Art (including D&T), Physics, Chemistry, Mathematics, Welsh, Computer Science and Modern Foreign Languages) or a PGCE/PCE Post Compulsory Education & Training (PCET) programme.

**You are ineligible for the award if you are in receipt of staff or current partnership discounts.**

**You are ineligible for the award if you are in receipt of any NHS Bursary award.**

**You are ineligible for the award if you are in receipt of any Teacher Training Grant allocation.**

**The Alumni discount grants a tuition-fee remission and will be allocated against tuition fees following enrolment in September/October.** No further awards are made during the academic year. The Alumni discount is not a cash award.

**The Alumni discount will be withdrawn if a student transfers to a non-eligible course.**
