Prifysgol Iach

Riverside
REAL FOOD

March 2017 saw the launch of a partnership with Riverside Real Food, Cardiff Met Catering and Environmental Management.

The successful Markets indoors in Llandaff and outdoors in Cyncoed. There were varied suppliers on each site. Llandaff was bustling and created a definite buzz amongst staff and students inside the Atrium building with Cyncoed having a continental feel outside front main reception. Plans are to hold the market once a month on each Campus.
