To get in contact with the Department you must: 1. consult the website provided; 2. identify through the website the research group that matches with your academic interests; 3. contact the relevant professor; 4. agree with her/him a research collaboration and ask for a Support letter. If you cannot identify any research group, please contact our office, diri.ecw@unibo.it, and provide the documents and information specified here after and we will try to locate your request. IMPORTANT: when you contact our Professors or you write us you must include: 1. a brief CV; 2. a brief description of what you do at your Home University; 3. a brief description of what you are interested in developing at our University during the mobility. Do not send us blank e-mails with only attachments included because they may be recognized as spam and may be trashed, always write an introduction message. IMPORTANT: be aware that the Hosting Department and the Professor contacted are not obliged to issue you a Support letter. A Support letter will be issued only in the case the Department and the Professor is willing and available to host you. IMPORTANT: you are invited to ask for a Support Letter ONLY to 1 professor or to inform the professor contacted that you are contacting also other research groups in our University. In case of delay in the reply from the Professor (more than 1 week) write them again and put us	Not before mid- 1 October 2016 and no later than May 2017. Arrivals near the Christmas break (from the end of November till mid-January) are not admitted.	Application Form. We will not accept any Support Letter outside the official application form and after the official application deadline. Working language can be agreed with the Hosting department and prospective Supervisor. Candidates must consult	
the Department of Cultural	_	Academic Staff	the last 7 working days from the Application deadline.  You can be admitted as a Visiting Staff at this Department to work with one research/teaching group. To get in contact with the Department you must: 1. consult the website provided; 2. identify through the website the research group that matches with your academic interests; 3. contact the relevant professor; 4. agree with her/him a research collaboration and ask for a Support letter.
